This craft coordinates well with Lesson Six of the **Prayer of Jesus Bible lessons**:
<https://www.sundayschoolnetwork.com/curriculum-Lords-Prayer.html>

What You Need

Pattern, scissors, 9" paper plate, crayons, or colored markers or pencils, glue stick, (optional embellishments such as colored tissue paper, beads or stickers.) Stapler, 1/4" hole punch, three 3.5 foot strips of thin ribbon, large dried beans

What You Do

Color in the "Praise Him" text. Optional, decorate the center with embellishments. Cut out circle along dotted lines. Fold plate in half and then unfold. Glue pattern to the back of the paper plate. Fold plate again and staple around the edge, but leave one end open to pour in a few beans before stapling shut. Punch holes about an inch apart near outer edge of plate, making sure not to punch the edge. Starting at one end of the plate, "sew" three ribbons in and out through the holes, allowing both ends of the ribbons to hang freely.

Use your noise maker to *make a joyful noise unto the LORD!*

Read Psalm 100!
